

Vantage My Access! ® Home Edition End-User Terms of Usage Agreement

IMPORTANT NOTICE TO SUBSCRIBER...PLEASE READ CAREFULLY:

The terms “we”, “us”, and “our” refer to Vantage. “You” and “your” refer to the individual and/or entity that has ordered Vantage product or technical services from Vantage or an authorized partner/representative. “Product services” refers to any web-based service application accessed by you via the internet. “Technical services” refers to support, consulting, or other services including customizations you have ordered (if any apply).

This Vantage End-User Subscription Agreement (“subscription”) is a legal agreement between you (either an individual or a single entity) as Subscriber and Vantage Learning (“Vantage”) for use of the My Access!® Home Edition service incorporating Vantage’s proprietary underlying IntelliMetric™ technology accessed solely as a service over the Internet and any related documentation (collectively, “My Access”). By using My Access, you agree to be bound by the terms of this Agreement and subscription. If you do not agree to the terms of this Agreement, you may not use My Access. The terms My Access and Product Services may be used interchangeably within this document.

WHAT THIS SUBSCRIPTION AGREEMENT COVERS

Your order is not effective until accepted by us. Upon acceptance we grant you limited authority to access and use of My Access on a personal subscription basis, i.e. only valid paid-up subscribers have authority to access and use My Access for exclusively personal use. This subscription will terminate at the end of your paid-up subscription period. The subscription may be subsequently renewed at the then current renewal price. Domestic and Foreign Intellectual Property statutes, treaties, conventions, protocols and agreements, including copyright laws (collectively “Intellectual Property law”) protect My Access. My Access is accessed via the internet on a subscription basis, it is not sold. As a subscriber, you acknowledge, assent to and agree to abide by all Intellectual Property law pertaining to and protecting My Access. You must hold a valid subscription, which we assign to you, in order to use My Access.

OWNERSHIP AND PROPERTY RIGHTS

Subscriber understands and acknowledges that Vantage holds all right, title and interest to My Access, including, but not limited to, trade secret, patent, trademark and copyright in Product Services. Subject to the terms of this Agreement, Vantage grants to subscriber a non-exclusive, non-transferable subscription to use Product Services during the term of this Agreement.

SUBSCRIPTION GRANT AND OTHER TERMS OF USE

Upon your acceptance as an end-user/subscriber, Vantage Learning grants to you a non-exclusive, non-transferable, limited authority to access and use Services on a individual subscription basis by use of a special username and password (“**entry key**”) to be issued by Vantage Learning and that shall be used only for purposes consistent with this Agreement and the pedagogic nature and objectives for which Services were developed and procured. The entry key is Vantage Learning confidential information as defined within this Agreement and should not be used for any purpose inconsistent with the terms and conditions of this Agreement or the technology itself.

You may not share or otherwise divulge the entry key assigned to you to any other person. Doing so will invalidate your subscription and may subject you to civil penalties. This subscription will terminate at the end of the product term shown on the product order schedule, subscription agreement or contract between you or the entity with which you are associated or employed and Vantage Learning. The subscription may be subsequently renewed at the then current renewal price. Domestic and Foreign Intellectual Property statutes, treaties, conventions, protocols and agreements, including copyright laws (collectively “Intellectual Property law”) protect the Services and all underlying technologies and connected intellectual property. As a subscriber, you acknowledge, assent to and agree to abide by all Intellectual Property law pertaining to and protecting Services and technology. **In all cases, you must hold**

a valid subscription and a specifically assigned entry key in order to access and use Services. Only valid and paid-up subscribers have authority to access and use Services exclusively for personal use.

A subscriber may use Services only for the time period for which subscription has been authorized by Vantage Learning. Any attempt to use an entry key, transfer use of Services or actual use of Services by anyone other than the valid subscriber shall constitute a breach of this End-User Service Agreement and subscription and shall result in immediate termination of the subscription as described below under the heading 'Termination'. **Subscriber shall not cause any part of the Application in any way to be decompiled, disassembled or reverse engineered, reverse compiled or re-implemented nor shall any attempt to do so be undertaken or permitted. Subscriber agrees not to modify nor create a derivative of any part of the Application, nor remove, edit, copy, or modify any product identification, copyright or other notices. Intentional attempts to trick, deceive, mislead, fool or otherwise circumvent the legitimate purposes for which My Access has been purchased, including false or purposefully designed submissions calculated to test, reveal or expose underlying scoring technology or other product functionality ("false submission") shall be considered a breach of this subscription agreement and shall be cause for immediate cancellation of subscription without refund or reimbursement of any kind. Subscriber agrees not to modify nor create a derivative of any part of My Access, remove any product identification, copyright or other notices, create or aid in the creation of false submissions.**
